

CALL FOR PAPERS

IMPORTANT DATES

1 July 2022

Paper Submission Opens

15 July 2022

Proposal for Industry-led Focused Session

31 August 2022

Paper Submission Closes

31 October 2022

Notification of Acceptance

15 November 2022

Final Submission

Join us for the inaugural Applied Sensing Conference (APSCON) on January 23-25, 2023 in Goa, India! APSCON will be a three-day event with one day of industry engagement and two days of technical sessions.

CONFERENCE SCOPE

APSCON will connect researchers, practitioners and engineers from industry and academia applying the sensing techniques for verticals such as:

- » Agriculture, Precision Farming
- » Autonomous Sensors
- » Aviation
- » Communication
- » COVID 19, Healthcare, and Wellness
- » Crowdsensing and Intelligent Sensing
- » Disaster Management
- » Education
- » Electric and Autonomous Vehicles
- » Energy
- » Environment Monitoring
- » Infrastructure
- » Internet of Senses
- » Manufacturing
- » Oil Exploration and Petrochemicals
- » Robotics and Automation
- » Sanitation
- » Sensing in Security
- » Sensors Analytics
- » Smart City and Village
- » Space
- » Sports
- » Transportation
- » Water Monitoring

Organizing Committee

GENERAL CO-CHAIRS

Anil K. Roy

DA-IICT, Gandhinagar (India)

Srinivas Tadigadapa

Northeastern University (USA)

TECHNICAL PROGRAM COMMITTEE CO-CHAIRS

V. Ramgopal Rao

IIT Delhi (India)

Chonggang Wang

InterDigital Communications (USA)

FINANCE CHAIR

Zeynep Celik

University of Texas at Arlington (USA)

INTERNATIONAL ADVISORY COMMITTEE CHAIR

Rudra Pratap

VC, Plaksha University (India)

TECHNICAL CO-SPONSOR

Institute of Smart Structures and Systems (ISSS)

Industry Day

Full of industry-led activities, thematic round-table meetings, focused sessions, keynote talks, tutorials/workshops. It will also have discussion on sensors standards development (focused session on Sensors Standards Opportunities). This conference encourages industry professionals to present their state-of-the-art work which may not go into the proceedings (if they wish so). Industry engagement is also invited through work-in-progress demos, Breaking News, networking opportunities.

Sensors Startup Summit

The emerging ecosystem of startups will be invited to network and get together to share their success-stories, opportunities, marketplace and technological challenges. Mentor-Mentee session will be planned for the young startups.

PhD Forum

We invite advanced stage PhD work and completed theses (not older than last 6 months) to present and get inputs from the experts. This will give these graduate students an opportunity to network, improve their work besides post-doctoral and/or job offers.
